

**CORGI  
DEC 2008  
to JUNE 2009**

*It's time to Pre-Order again.*

Corgi was taken over by HORNBY HOBBIES in May 2008, and this is the first catalogue under Hornby's management.

**New Policies:**

1: Models are only being made to dealer pre-order levels plus a very small buffer – result means there should never be spare stock after release from this catalogue, meaning no reduced price stock later.

2: Hornby have tightened the number of products down so that the range is more collectable and less sprawling.

3: The range will still be "Corgi" and in "Corgi" branded boxes, the only reference to Hornby will be the legal info on the bottom of the box.

4: ORDERS ARE NEEDED ON THIS RANGE **BY THE END OF OCTOBER** FOR SURVIVAL OF SUPPLY. AFTER THAT DATE, WE CAN ONLY TAKE ORDERS IF WE OR OUR SUPPLIERS HAVE UNSOLD STOCK AVAILABLE.

All models on this list are due between December and June, we will publish more accurate information on these dates online when Hornby issue an update (likely around Christmas).

Please do not "put off" pre-ordering, as once we reach our order level of 1<sup>st</sup> January, it is likely we will not be able to take more orders as Hornby tends to like to change prices close to release on further orders.

**PREORDER AND SAVE:** We offer keen discounts on all models to those who order prior to release. Pre-Order price is shown in bold and this discount applies to both in store and mail order customers. "List" prices apply to most orders or in store sales made after release, this is the same or less than Corgi charge themselves. LIST IS LEFTOVER STOCK – if we sell out to pre-order (likely in most lines) then there will be NO stock spare on release due to the tight issue numbers.

**POSTAGE CHANGE:** WE WILL NOW HOLD EACH ITEM THAT IS RELEASED ON YOUR ORDER UNTIL APPROXIMATELY £20 OF MODELS ARE AVAILABLE – AND THEN DISPATCH POST FREE. If you would rather that lower value models were sent as released, there would be a £1.50 charge per dispatch where the total was less than £30.

**Cut Back Policy:** In the event of shortages we operate a "Cut Back" policy as follows – any orders for multiple pieces will be cut back to 1 piece, then if this still doesn't allow enough to go around, we supply strictly in date order. We feel this is the only fair way.
